

Photonics PhD Event

April 2-4, 2012

Excellent research opportunities for excellent students

- Learn about cutting-edge photonics research
- Get a chance to be selected for a PhD in a leading European university

Eindhoven University of Technology, University of Cambridge and the Swiss Federal Institute of Technology Zurich organize a 3-day event with lectures from top researchers, lab visits and selection interviews for PhD studentships. Students about to get a Master's degree in Physics or Electrical Engineering and belonging to the top 10% of their class are welcome to apply before November 15, 2011. Travel costs for the selected students will be reimbursed. More information: www.tue.nl/phdevent
