PHOTONICS PUBLIC PRIVATE PARTNERSHIP

# Your sponsorship investment

- **Demonstrate your support for Photonics towards Horizon Europe and increase your visibility!**

With more than 300 decision makers from European Industry & Research, EU Commission and European Parliament, national and regional public authority representatives the Photonics PPP Annual Meeting has become the flagship event of the photonics community in Europe.

- **Show your commitment to a Key Enabling Technology for Europe!**

The Photonics Public Private Partnership is driving the change. The share of Photonics related projects in Horizon 2020 is nearly 10 % and at least 50 % of participants of photonics related projects under ICT calls come from the private sector.
