- developing strategic application roadmaps
- seeking new collaboration partners

Further details and online registration at www.photonics21.org

PHOTONICS PUBLIC PRIVATE PARTNERSHIP

Your sponsorship investment

- Set the course for the new European Partnership on Photonics in Horizon Europe and increase your visibility!

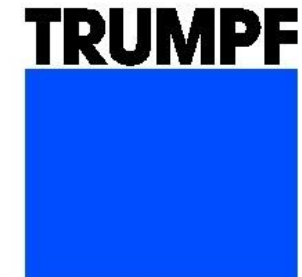

With more than 300 decision makers from European Industry & Research, the European Commission, the European Parliament and national and regional public authority representatives the Photonics PPP Annual Meeting has become the flagship event of the European photonics community to determine the photonics roadmap for Europe.

- Demonstrate your commitment to the new European Partnership “Photonics for a Healthy, Green & Digital Future”

As the Nobel Prize laureates outlined in their letter to the EC: „Photonics is simply essential for powering the future European digital economy and for driving advances in many sectors such as in health, mobility, security and space.“
